## Segments

There are three segments A, B and C. Sectors in the individual segment share similar characteristic in terms of financial impact

### Segment A

Agriculture  
Manufacturing  
Aviation  
Hospitals  
Logistics  
Mine and Minerals

### Segment B

Consulting  
Education  
FMCG-Retail  
FMCG-Apparel  
Food & Beverages

### Segment C

Banking  
Financial Services  
Information Technology

# Analysis Of Segment A Financial Impact

## Aviation

### Revenue Impact

- Travel restrictions both domestic and international
- Business passenger revenues contract during this period
- Restriction on cargo flights
- As need of physical interaction decreases so need of travel decreases
- Not using full capacity of the passengers to fly
- Scheduling lesser flights

### Cost Impact

- A lack of confidence in workplace, Employee want more salary for same work and post
- Safety equipment's made mandatory to use like PPE kit, mask, sanitizer etc
- Sanitization of flights and airport has to be done on regular basis

### Relevant Example

- Qantas airline cut 6,000 jobs as part of its plans to survive the coronavirus pandemic

# Analysis Of Segment A Financial Impact

## Automotive

### Revenue Impact

- Sharp drop in demand and investment
- After sales services and spare part requirement also decreased

### Cost Impact

- Increased cost of raw material
- Logistics cost are gone high during to travel restriction

## Tourism and Hospitality

### Revenue Impact

- Some Hotels, restaurants, tour operators, airlines, and cruise ships have suspended their operations
- Spending on the non-essential or luxury are gone down
- Businesses are now catering to a purely domestic tourism market

### Cost Impact

- Increased cost of sanitization
- Safety equipment (temperature sensing device, face shield etc)

## Agriculture

### Revenue Impact

- Logistical challenges within supply chains, particularly cross- border and domestic restrictions of movement
- Serious impact on labour- intensive crop production and processing due to labour shortages
- Horticulture industry alone is projecting a shortfall in fruit and vegetable vendors due to Covid-19

### Cost Impact

- More stringent safety checks

# Analysis Of Segment A Financial Impact

## Healthcare

### Revenue Impact

- Chronic care system is affected
- Consultation Fees are gone low because of online consultation

### Cost Impact

- Safety Gears like PPE kit, sanitizer etc
- Pay extra for long working hours and unsafe environment
- Recruitment for additional health workers
- Provide trainings for newly recruited health workers
- Insurance of health care worker

### Relevant Example

- 29.6 million Medicare eligible telehealth services were delivered to 10.4 million patients, resulting in \$1.52 billion paid in Medicare benefits
