

STUDY ON CHARITY SCHOOLS FOR YOUTH AND CHILDREN DEVELOPMENT IN ZAMBIA

A Report By Atticus Advisors
June 15, 2021

EDUCATION OVERVIEW IN ZAMBIA

ATTICUS ADVISORS

Zambia

- Landlocked, resource-rich country with sparsely populated land in the center of Southern Africa.
- Capital and largest city is Lusaka, one of the world's youngest country
- Population is roughly 18.3 million

Education sector in Zambia

- Primary school completion rate, 91.8 percent at Grade 7 (Zambia National Statistics
- 7-5-4 structure, 7 years-primary, 2 & 3 years at junior and higher secondary school and 4 years at university
- Transition rates from primary to secondary school is 67.5 %

Government initiatives

- 7th National Development plan (2017-21) aims to improve education and skill development through private sector participation
- National Implementation Framework III's aim is to increase the number of qualified and competent teachers.

Obstacles in Education

- Lack of quality and development-oriented education
- Lack of access to science, technology and innovation
- Poor attitude of parents towards quality education

WHY CHARITY CENTER IN ZAMBIA?

ATTICUS ADVISORS

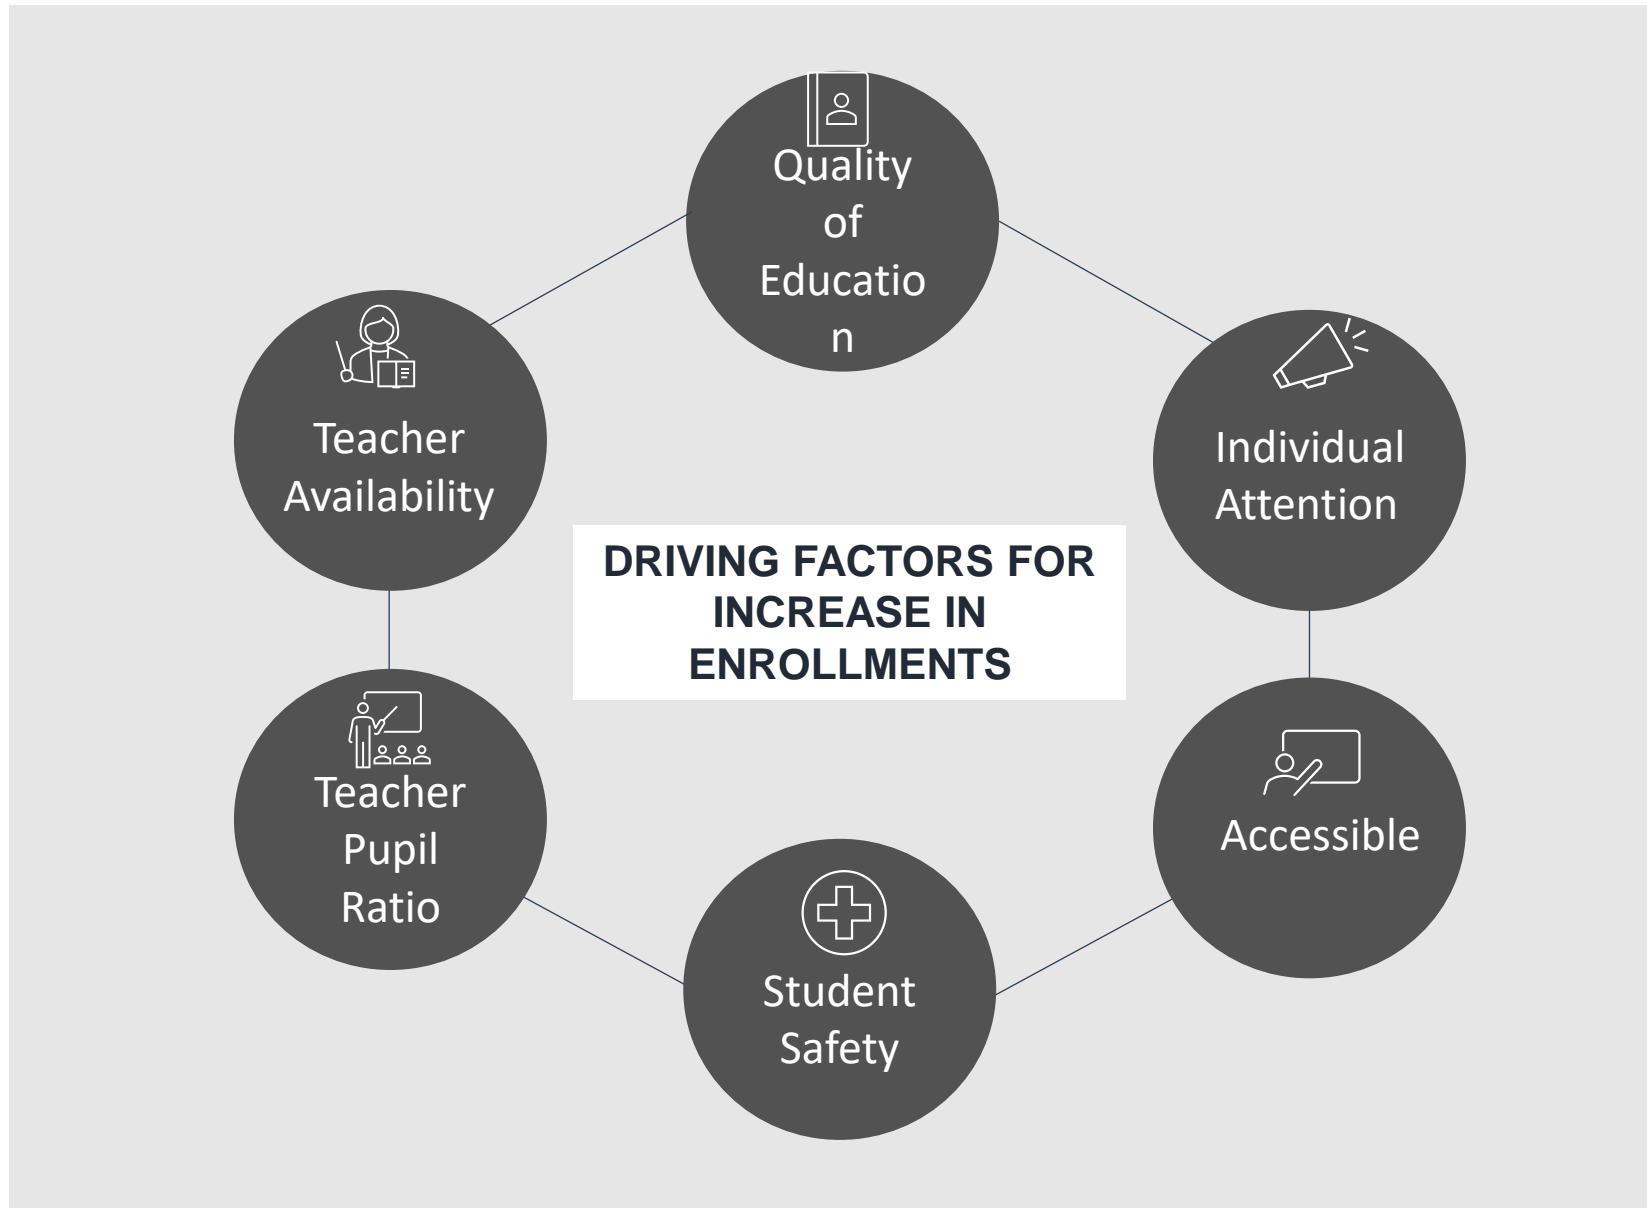

Education quality remains a serious concern despite impressive gains in enrollments, according to SABER-EPS research.

Primary education will provide the main structural framework on which other levels of education would be anchored.

To provide students with holistic learning and may also focus on privatizing the center at later stages.

Offer vocational training opportunities that enhances employment prospects of students.
